A black and white photograph of a desk. In the foreground, a spiral-bound notebook is open, showing a page with a grid of small squares. A pen lies on the desk to the left of the notebook. To the right of the notebook is a small, dark, cylindrical container holding several pens. The background is a plain, light-colored wall. The word "FACULTY" is printed in a large, serif font in the upper left corner of the image.

Administration

**Mr. Philip M. Saba, Principal
Randolph High School**

Randolph High School and the community of Randolph form a vital partnership. Each group is essential to the success of the other. A healthy and vital high school can develop the human skills necessary for the success and advancement of the community; and the community, in turn, can and does assure the necessary resources for the school and encourages excellence in programs.

As you leave Randolph High School remember that this partnership is vital to our success as a free people. You have a great responsibility, but my strong belief is that it is in very capable hands.

Best wishes for a bright future.

Toga Party

What's wrong with this picture?

Todd, the camera's over here

Hey, the spike is in so stop staring

145 The Toga Party, right????

I'm unwrapping a Snickers bar

Just Another Typical Day ...

What light socket?

We don't like our food cooked.

I wonder where all my eyeliner went

Best couple

Teacher's pets

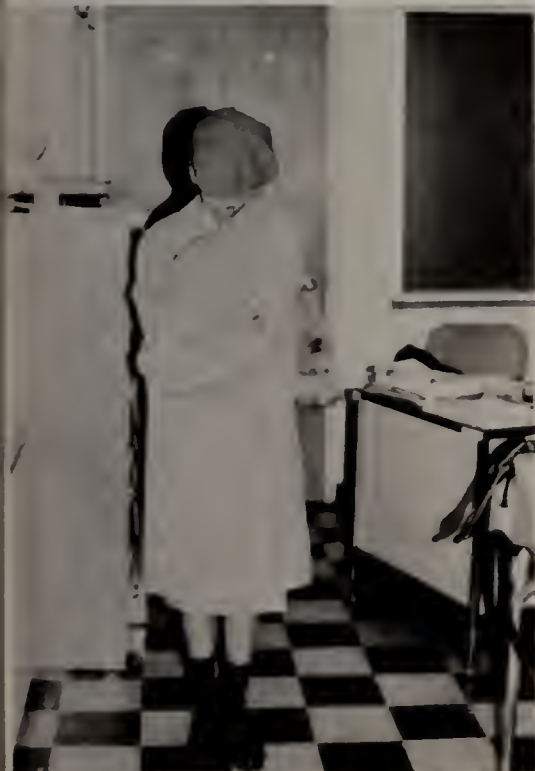

Future leaders of tomorrow

"Hey dude, seen any narly waves"

"So what, I struck out."

Before ...

... and after.

"They say two heads are better than one"

"Rambo, watch out"

Wanna die???

The Flip Side

Settle down class, I'm your substitute.

What a couple

Cristie Brinkley, watch out

Don't mess with these *guys*

Don't shoot, Chucky and I promise to leave you alone

"Believe it or not, *Vogue* turned me down"

Santa's Dream

Here comes Santa Claus ...

"Don't you think we make a great chorus line?"

Dancing the night away

"We heard the dessert was great here."

"This is the life."

"Come on this is my favorite song."

"What, you mean the music stopped?"

A Winter Wonderland

"He is a little camera shy."

"We love posing for pictures."

The conversation is great here.

"Look ma, no hands"

"We need a rest after all that dancing."

"Tell me we don't make a cute couple."

That's a little too far!

I can't do anything with the camera on me.

I don't bend this way

I'm ready for the Boston Ballet.

At least we're all going in the same direction

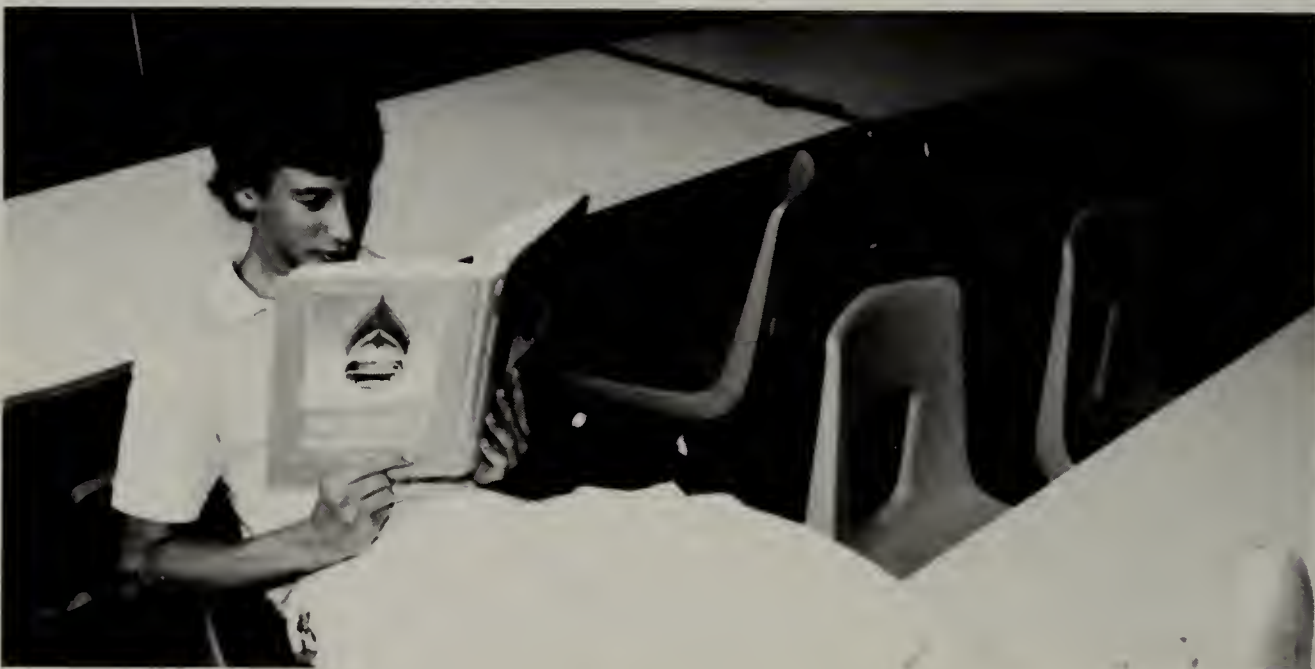

Oh ... My aching stomach!

Just stretch a little bit more.
